## Luxury La Clusaz ski-in, ski-out chalet

Stylish lodge for 6 next to lifts with steam room, ski store, terraces and breathtaking views

### Helios View Lodge ...

The owners of Helios View Lodge have spared no expense to make this superb chalet a really unique place to stay. Unusually for a chalet for six guests, it has all the luxury facilities you'd expect from a much bigger property, including a steam room and a high tech ski store with heated boot rack and sanitising cupboard!

The views are priceless too - you can watch skiers hurtling down La Fernuy piste from the living room, while at the sides of the property you're treated to views of La Balme and Beauregard. In the evening, you can sit on the balcony and watch the lights of the Snowcats as they prepare the pistes for your next exciting day in the mountains. In the summer, the panorama is no less spectacular, as green pastures and blue skies replace the wintry scene.

It's just a short drive or bus ride into La Clusaz, where you'll find a great choice of bars, restaurants and shops.
